# Custom Sourcing

## Work with DORFIN.... Let us be your global sourcing partner!

You have mastered your industry, and know your products better than anyone. Let our sourcing experts concentrate on expanding your global network to maximize your profits.

We source products through established relationships with domestic and international suppliers. We continuously source globally for new relationships with factories around the world. Our team will meet with you to collaborate and analyse your project to create the best possible solution. In other words, we'll do what you require and surpass your expectations.

We understand that all customers are unique, and that their needs can even differ within each division of their organization. Dorfin offers the resources to create personal concepts for our clients based on their specifications, so our clients receive made-to-order solutions. Once sourced and customized, our art house will design the packaging for your private label or brand.

With over 60 years of experience we have developed an expertise in overseas sourcing that allows us to ease the purchasing and logistic process and assures quality control that will meet the most rigorous specifications.

- We work with retailers and source customized products for resale.
- We work with the food service industry to develop products for use in their food service facilities.
- We work with distributors in the packaging industry to source customized products for them to resell to their customers.
- We ensure our customers are offered turnkey solutions for their custom sourcing needs.

### EDI

Dorfin offers its trading partners all of the benefits of eCommerce, including an information-rich web site with on-line ordering, product inquiry and account verification, EDI (electronic data interchange), and e-mail. We look forward to partnering with our customers in any way convenient to you, using the latest standards to enhance the efficiency of doing business. Please call our customer sales and service department for details or visit us on the web at [www.dorfin.com](http://www.dorfin.com).

### TERMS AND CONDITIONS

#### Ordering :

To ensure accurate receipt of what you are ordering, please specify page number, product codes, stock numbers, and description including colour, size and thickness.

#### Pricing :

Pricing does not include all applicable taxes. Pallet charges are extra.

#### FOB's :

Our FOB policy for Montreal, Ottawa, Toronto, Quebec City and the Eastern Townships is subject to a minimum dollars amount and product mix. Orders under minimum are shipped collect or prepaid and charge.

#### Payment :

Visa and Master Card are gladly accepted. For customers who wish to have an open account status, please call us or e-mail us and we will be happy to fax or e-mail you a credit application form. Upon receipt of favourable information concerning the credit verification, your account will be opened. Our terms are net 30 days.

#### Shipping :

Please specify if we should ship complete, or in part, in the event of a back-ordered item(s). If you prefer that we cancel any back ordered items at time of shipment, please specify this at time of order.

#### Returned Merchandise Procedure:

The buyer must contact Dorfin's customer service department for a returned merchandise authorization and shipping instructions prior to returning any products. All returns must be shipped prepaid, in resalable condition, in original carton(s) where applicable and are subject to issuance of a credit or refund. Handling charge could be 20% or more depending upon the circumstances. No returns will be accepted after 30 days. Customized goods are not returnable unless deemed to be defective or not as ordered.

Do you need ties for your electrical equipment, plumbing, electronic telecommunications, transportation maintenance department, or warehouse production floor?

- Cable ties are available from 3-1/4" to 48" in natural, black, white or custom colours upon special request
- With tensile strength ratings up to 175 lbs
- They are available in a variety of miniature, slim line, intermediate, standard, heavy Duty and extra heavy duty strengths
- We can print your name, logo or serial number on any size
- Manufactured from Type 6/6 Nylon. This material is noted for its toughness, impact strength, resistance to abrasion and chemicals, and versatility in a variety of applications. Nylon 6/6 is the material of choice per military specifications.

# Tag Guns and Attachments

Avery Dennison's proprietary stretching technology produces exceptionally strong yet flexible fasteners

## Secur-a-tach Fasteners

- Perfect for tagging hard goods
- Fast, economical and secure, the operator simply inserts the tail of the fastener into the head for a secure lock, without tools or needles

## Secur-a-tie Fasteners

- Ideal for securing and tamper evidence
- Its design permits you to adjust the diameter up to the minimum bundle, but it will not allow it to be loosened or opened without evidence of tampering

## Hook-Tach Fasteners

- Mostly used as a mini-hanger for soft goods, such as caps, socks, gloves and scarves. Use with a standard pistol grip hand gun

Colour: Natural

Tensile Strength: 8 to 15 lbs

## A COMPLETE LINE OF FASTENING AND TAGGING SYSTEMS FOR THE MANUFACTURING AND RETAIL INDUSTRY

### MANUAL ATTACHMENTS AND HAND GUNS

Secur-a-tach Fasteners

Secur-a-tie Fasteners

Hook-tach Fasteners

## Standard Swiftachment Fasteners

General Purpose fasteners offer the greatest versatility and variety of fasteners for tag attaching, pairing, bundling and closure applications

### Swiftachment System 1000

Large paddle fasteners prevent ticket switching and have no waste strip to discard when the operator is finished

## Fine Fabric Swiftachment Fasteners

Swiftach Fine Fabric™ Fasteners help prevent damage to expensive garments or injury to your customers during removal

Code	Description	Dimensions	Type	Colour	Model	Units	Case
